snarling side

DEMENTIA AMERICANA

flower side

BACK IN THE SOUTH

She stands on the stage, naked, feeling the warped wooden boards beneath her feet, and hearing the beery baying of the audience ringing in her ears. Heavy jowled men with anonymous executive faces and anonymous executive hard-ons, crying for more. MORE. Knowing she can do nothing else, she palms the razor blade and, smiling a weak and watery smile, slits herself open from vagina to sternum. FROM VAGINA TO STERNUM. And back again. She spills out onto the boards easy, slick, steaming and greasy. With cries of alcoholic approval at fever pitch, she proffers her entrails, bubbling and glistening, to her public. The crowd pleaser. That's entertainment. DON'T YA JUST LOVE IT?

Sixth Comm + Freya Aswynn - The Fruits Of Yggdrasill (Eyas 006)

Mit den bisherigen Veröffentlichungen von Sixth Comm hat dieses Projekt nicht viel zu tun. Es ist eher eine sehr gelungene Mischung aus einer Industrialplatte und einen Runenlehrgang.
Dominierend ist die Stimme von Freya Aswynn, die schon bei früheren Aufnahmen von Current 93 mitwirkte. Untermalt ist das Ganze durch eine geheimnisvoll anmutende Geräuschkulisse von Patrick L. O'Kill.
Dazu ist noch zu sagen, daß schon allein das Cover einen Kauf wert ist. **N.E.**
